Enjoy the Spirit of Christmas with an unforgettable visit to “Merode Castle!”

Again this year, during the Advent season, Prince Charles-Louis de Merode is opening the gates of his castle for the Romantic Christmas Market. This market, with its traditional hand-crafted items, won first place as the finest Christmas market of NRW in 2011.

Surrounded by picturesque scenery and a natural park, the visitors will be welcomed to an idyllic village composed of lovely, decorated wooden Christmas stalls.

Getting in the Christmas mood

An impressive Christmas tree will be in the castle court. Thousands of candles, torches, and lanterns will be illuminating the castle grounds.

Many craftsmen, including wood workers, blacksmiths, candle makers, glass blowers, basket weavers, potters, crèche makers, and spoon carvers, will be producing, displaying, and offering for sale their creations.

All over the property bon fires will radiate warmth, creating a cozy atmosphere. “Feuerzangenbowle”, a traditional hot drink and regional specialty, will be brewed in large caldrons.

The delicious aroma of hot wine and the fragrance of local foods and sweets will be wafting through the winter air. A warm, calm retreat can be found

in the castle’s café with its rooms abundant in history, where visitors can enjoy a cup of coffee or a cocoa punch, as well as a piece of “Christstollen”, a Christmas cake or other baked goodies.

The Long Night of Lights (12-12 & 20-12)

This year again, on Friday 12th and Saturday 20th December, a moving light show will take place at nightfall.

Saint Lucia celebration (13-12 & 14-12)

On Saturday 13th and Sunday 14th December, according to ancient tradition, St. Lucia robed in white with a crown of candles will walk through the market. The bring of throwing stars or lanterns allows anyone to participate at the procession.

The Christmas Angel and program for children

The visitors will have the opportunity to see the Christmas Angel appearing in a tower window, reciting lovely Christmas poems. The Christmas story from the Scriptures can also be viewed through lighted pictures.

In addition the children can see charming Punch and Judy shows. A nostalgic child merry-go-round will provide our youngest visitors with great entertainment. They also have the opportunity to pat live animals in the manger scene.

Every Advent weekend will highlight a special feature

Besides the traditional church blessing of the market and of the nativity scene on the opening night, besides the visit of Santa Claus on the 2nd Advent and the procession of Saint Lucia on the 3rd Advent is the “Long Night of Lights” on 3rd and 4th Advent certainly a very special highlight. On the 4th weekend of Advent there will be a great surprise for the visitors. A wonderful join-in nativity play will get adults and children in the right mood for the Holy Night!
